

## PRECIOUS METALS ACCOUNT INFORMATION FORM

### Product Description

Precious Metals Account shall be opened as a demand deposit account when precious metals are sold to the Customer at a price to be determined by the Bank pursuant to instructions to be placed by the Customer. The Bank shall be free to run an interest on demand deposit accounts. In the event that a term precious metals account product is available at the Bank, the account shall be opened upon a request that the Customer shall submit to the Bank for a term account and that lays down details about the account. Interest to be run on the term account shall be freely set by the Bank subject to the applicable legislation. Customer may sell or buy/execute the trading of precious metals at a price to be determined by the Bank by using his precious metals account pursuant to his instructions. No physical delivery of precious metals to or from the customer shall take place in the Precious Metals Account.

No account operation fee or trading fee is charged in Precious Metals Account. The Customer shall bear tax liabilities arising from this Agreement, including stamp duty, withholding tax, income tax, foreign exchange transaction tax, Banking and Insurance Transaction Tax.

This Form shall be effective as of the date it is signed/approved.

Where this form is approved via digital channels, you can have access to this form and other documents at any time you wish through the permanent data storage unit.

Data available on this form shall be binding until such time the contract shall be signed/approved by you.

In the case of a distance transaction through remote access system, this form shall be electronically approved without the need for a manual signature.

This form is an integral part of the Precious Metals Account Agreement and any subject matter not governed herein shall be subject to the Banking Services Agreement and Investment Services Agreement.
